TERMS AND CONDITIONS

ELIGIBILITY: Incentives are available to all existing Wallingford Electric Division ("WED") commercial and industrial electric service customers ("Customer") who purchase and install qualifying retrofit and/or replacement high efficiency electric process equipment ("Equipment") on or after January 1, 2021 through December 31, 2024. System is subject to pre- and post-installation inspections prior to incentive issuance. Customers billed on the WED's Small Municipal Service Rates 8 or Large Municipal Service Rate 9 are eligible for program participation.

APPLICATION OFFER: The Wallingford Electric Division ("WED") Commercial and Industrial Electric Process Equipment Retrofit & Replacement Program ("Program") covers qualifying Equipment purchased and installed on or after January 1, 2021 through December 31, 2024. Details of this Program, including incentive levels, are subject to change or cancellation without prior notice. **This Wallingford Electric Division Commercial and Industrial Electric Process Equipment Retrofit & Replacement Incentive Form ("Application") with required documentation must be postmarked by January 31, 2025. Funding for this Program is limited to the period indicated or while funds last.** For more information, please call (203) 294-2280.

APPLICATION: This Application must be filled out completely, truthfully and accurately. The Customer and Contractor must each sign the completed Application and it must be submitted along with cost quotes, proposals and engineering analyses. The incentive payment cannot exceed 40% of the pretax differential total cost (energy efficiency total pre-tax cost minus the standard equipment total pretax cost) and not to exceed a five year payback.

PAYMENT: Please allow 6 to 8 weeks for payment. Payment processing may take longer if information is missing on the Application. **Please call (203) 294-2280 with any questions about incentives.**

APPROVAL AND VERIFICATION: Pre-approval from WED reserves the right to verify sales transaction and to have reasonable access to your business to inspect the Equipment installed under this Program prior to issuing incentives for up to one year after date of Application. A contractor's detailed invoice(s) listing pretax labor, materials and miscellaneous project-related costs must be submitted and approved prior to issuing any incentive payment. WED makes no warranties or representations of any kind, whether statutory, expressed, or implied for the performance or installation of the Equipment as a result of the approval and verification

process. The Customer also grants WED the right to confidentially share account number information internally for incentive processing procedures.

TAX LIABILITY: WED will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of incentives.

ENDORSEMENT: WED does not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: WED's liability is limited to paying the incentives specified. WED is not liable for any damages arising out of or resulting from participation in this Program, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

Applicant understands that all funding for incentives under this Program derives from the Energy Conservation Fund which is managed, in part, by WED and funded, in part, by their customers. WED does not guarantee the availability of funding for the Program and is not responsible for any costs or damages incurred by applicant if funding for this Program or the Energy Conservation Fund is reduced or eliminated. Funding is subject to change at any time without notice.

OWNER'S CERTIFICATION: Owner certifies that he/she has purchased the Equipment outlined in this Application and the Equipment was installed by a licensed contractor at the defined location. Owner agrees that all information is true and that he/she has conformed to all Program and Equipment requirements listed.

WARRANTIES: WED DOES NOT WARRANT THE PERFORMANCE OF INSTALLED SYSTEM, EXPRESSLY OR IMPLICITLY. WED makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the Equipment or services provided by a manufacturer, contractor or vendor. Contact your retailer, manufacturer, vendor or contractor for details regarding Equipment performance and warranties.

FORWARD CAPACITY MARKET AND CLASS III

CREDITS: ISO-NE CAPACITY PAYMENTS: By signing this document, and as a condition to receiving an incentive pursuant to this Program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer's participation in the Program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of WED. The customer hereby assigns to WED all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by WED to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this Program shall be retained by WED pursuant to the laws of the State of Connecticut as of the date hereof.
