TERMS AND CONDITIONS

ELIGIBILITY: Rebates are available to WED's residential service Customers who purchase and install attic or ceiling insulation for use in the premises indicated on this rebate application and meet the following requirements.

REBATE OFFER: Details of this rebate, including the Amount and Eligibility requirements, are subject to change without prior notice. **Funding for RESIDENTIAL INSULATION REBATES is limited to the period indicated or while funds last.**

HES ASSESSMENT: Customers must participate in WED's HES Program and have a free energy-use assessment performed on their homes prior to installing the insulation. To schedule the HES assessment, call CMC Energy Services at (203) 294-9677.

ATTIC INSULATION: As determined during the HES assessment the existing attic insulation must be have an R-value of 19 or less. A sufficient amount of insulation must be added to the existing to increase the overall R-value to 38 or greater.

CEILING INSULATION: As determined during the HES assessment the ceiling cavity must separate an unconditioned space (i.e., basement, garage) from a conditioned space and be uninsulated. In addition, the walls surrounding the unconditioned space must be uninsulated. Insulation with an R-value of 19 or greater must be installed in the ceiling cavity.

APPLICATION DEADLINE: Completed application and Proof of Purchase showing that insulation was installed between August 1, 2023 and December 31, 2024 must be postmarked no later than January 31, 2025.

EXCEPTIONS: Insulation required by current building codes for new construction and additions is not eligible for this rebate.

PROOF OF PURCHASE: A contractor's invoice listing the type of insulation, thickness, areas insulated and ventilation installed, and date of installation.

APPLICATION: This Application must be filled out completely. The Customer and contractor must each sign the completed Application and it must be submitted along with the **PROOF OF PURCHASE** requirements listed above. Total incentive payment cannot exceed 100% of the total installation cost of the attic insulation.

PAYMENT: The Town of Wallingford will mail a

check to the customer for the rebate amount approximately 6 to 8 weeks after the Application is submitted. Payment processing may take longer if information is missing or the Application is not signed.

APPROVAL AND VERIFICATION: WED reserves the right to verify sales transaction and to have reasonable access to the residence to inspect the Products installed under this Program prior to issuing rebates for up to one year after date of Application. WED makes no warranties or representations of any kind, whether statutory, expressed, or implied for the performance or installation of the Products as a result of the approval and verification process. The Customer also grants WED the right to confidentially share account number information internally for rebate processing procedures.

TAX LIABILITY: WED will not be responsible for any tax liability that may be imposed on the Customer as a result of the payment of rebates.

ENDORSEMENT: WED does not endorse any particular manufacturer, contractor, vendor, product, retailer or system design in promoting this Program.

LIMITATION OF LIABILITY: WED's liability is limited to paying the rebates specified. WED is not liable for any damages arising out of or resulting from participation in this rebate offer, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

Applicant understands that all funding for rebates under this program derives from the Energy Conservation Fund which is managed, in part, by WED and funded, in part, by its customers. WED does not guarantee the availability of funding for the program and is not responsible for any costs or damages incurred by applicant if funding for this program or the Energy Conservation Fund is reduced or eliminated. Funding is subject to change at any time without notice.

OWNER'S CERTIFICATION: Owner certifies that the insulation is installed by a licensed contractor at the premises indicated on this Application.

CONTRACTOR'S CERTIFICATION: Contractor certifies that they are licensed to work in the State of Connecticut and that the insulation is

installed in accordance with the manufacturer's instructions at the premises indicated on this Application.

WARRANTIES: WED DOES NOT WARRANT THE PERFORMANCE OF INSTALLED SYSTEM, EXPRESSLY OR IMPLICITLY. WED makes no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the System or services provided by a manufacturer, contractor or vendor. Contact your retailer, manufacturer, vendor or contractor for details regarding System performance and warranties.

FORWARD CAPACITY MARKET AND CLASS III CREDITS: ISO-NE CAPACITY PAYMENTS:

By signing this document, and as a condition to receiving a rebate pursuant to this program, the customer acknowledges and agrees that any and all payments, benefits and/or credits associated with or applicable to the customer's participation in the program that is the subject of this Agreement in connection with the ISO New England, Inc. Forward Capacity Market ("FCM") or any existing, successor or replacement markets, (including, but not limited to, any and all transitional FCM credits or payments or any and all other capacity-related credits, payments and/or benefits for which such customer is eligible) shall be deemed as and form capacity payments, credits and/or benefits of WED. The customer hereby assigns to WED all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits, and agrees to take any and all action, including executing and delivering any and all documentation and/or instruments, as requested by WED to evidence the same. FCM means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the FCM, or any successor or replacement market/capacity procurement process.

CLASS III CONSERVATION CREDITS: Any Class III renewable energy credits and/or conservation credits received in connection with this program shall be retained by WED pursuant to the laws of the State of Connecticut as of the date hereof.

FOR MORE INFORMATION: If you have any questions about insulation or need assistance with this application call WED's Energy Efficiency Specialist at (203) 294-2280.
