Governor Lamont's Executive Order No. 7S enacts the following provisions relating to assessment:

- **Suspension of reapplication filing requirement for the homeowners' elderly/disabled circuit breaker tax relief program and for the homeowners' elderly/disabled freeze tax relief program:** Allows recipients of this benefit to receive the benefit for the coming year without recertifying their eligibility.
- **Substitution of full inspection requirements pertaining to October 1, 2020 grand list revaluations:** Allows 34 municipalities to continue with their scheduled 2020 revaluations, which are started up to a year in advance. The statute allows for Data Mailer Questionnaire to be mailed to the property owner when access is unobtainable; this eliminates having to request access, and allows for the revaluation to be completed via questionnaire.
- **Extension of deadline to file income and expense statement to August 15:** Allows taxpayers additional time to complete their income and expense statements.
