Dear Wallingford Residents:

Individuals who are 65 years of age or older can now register to obtain a reservation for a Covid-19 vaccination with the Town of Wallingford. Please contact the Wallingford Health Department directly at 203-294-2065 to register. While appointments may not be available immediately at this time as we continue to complete our list of those individuals 75 and older, please know that the Town will continue to conduct vaccination clinics as supply is provided weekly from the State of Connecticut.

Sincerely,

Stephen A. Civitelli
