PRESS RELEASE

On Monday, July 20th, people may enter the Town Hall to conduct business. Facial masks and social distancing will be required of the public at all times to protect everyone from the virus. Signage with health safety requirements and social distancing floor markers are installed. Offices have capacity limitations which must be obeyed.

The Tax Office must close by 4:15 p.m. each day and no payments will be accepted inside the building after that time. Payments for tax and utility bills may be mailed or placed in the Drop Box outside the Prince Street sliding door Town Hall entrance at any time. Cash payments may be made inside the building between 9:00 am. and 4:15 p.m. during office hours. Please do not place cash in the Drop Box.

We ask that every reasonable effort be made to protect everyone's health safety. Do not enter the Town Hall if you are coughing, sneezing, have a fever or feel ill in any other way. We appreciate your understanding and cooperation.
