ATM Theft in Wallingford:

On 5-16-21 at approximately 0634 hours, officers responded to Ultra Coin Laundromat at 857 North Main Street Extension for a possible break-in. After investigation, it was found that the laundromat was burglarized and the ATM machine was physically taken by multiple suspects. The suspects gained entry by smashing through the front glass door. The suspects then fled the scene in what appeared to be a sedan. Wallingford Police investigated two other smash and grab style burglaries during the same overnight period, and an investigation is under way to determine if they are linked. One occurred at 0326 hours at Parkway Mobile (1001 North Colony Road) and the other at 0326 hours at Family Dollar (978 North Colony Road).
