Short-term Railroad Crossing Closure on Williams Road

The Wallingford Police Department would like to make our residents aware of a short-term railroad crossing closure on Williams Road.

Williams Road will be closed to all motor vehicle traffic between the intersection of Liney Hall Lane, and the intersection of Pagano Lane, beginning Friday October 9th at approximately 7:00 AM and extending through the day on Monday October 12th 2020. This closure is needed to allow the Providence and Worcester Railroad Company, in concert with the Connecticut Department of Transportation, to make needed repairs to the railroad crossing and roadway at that location. Appropriate signage will be in place to direct motorists around the closure.
