Press Release

The Wallingford Police Department would like to inform the public of the following amendment to the Town's Traffic Regulations as it relates to a parking prohibition on North Main Street.

The following amendment of the parking regulations applies to that section of North Main Street fronting the Town of Wallingford Public Library, between Academy Street and Curtis Avenue.

- There shall be No Parking Permitted at any time along the eastern curb line of North Main Street, beginning at the south side of Curtis Avenue and extending southerly along the curb line for a distance of approximately 170 feet, fronting 187 North Main Street.

The foregoing amendment will be effective and enforceable upon appropriate sign installation, and shall supersede any previous regulations concerning parking along this specific section of roadway.

This regulation has been adopted, in part, to allow for safer pedestrian and vehicular movement in the area fronting the public library. The Police Department, in cooperation with the Town's Engineering and Public Works Departments are evaluating the area for potential additional safety modifications.
