The Wallingford Town Clerk is making searching easier. By making its records available online, you can now search wherever you have the Internet, 24 hours a day, 7 days a week—even during major holidays. Search from your office, from your home, or even from another state. Search at your convenience.

Search For Records Wherever You Are

This is why more and more Connecticut towns are joining the Connecticut Town Clerk's Portal, including the Town of Wallingford.

We recently joined the Connecticut Town Clerk's Portal. So, next time you are in another Clerk's office doing a search, ask them if they are joining the portal too.
