PRESS RELEASE

Monday, January 18, 2021, is Dr. Martin Luther King Day. Wallingford celebrates this day as a tribute to a great American who reminds us that every person, regardless of skin color, is entitled to respect, kindness, opportunity and happiness. Dr. King gave his life to seek social and legal changes that benefit everyone.

The pandemic prevents us from holding our annual Martin Luther King Day observance, but we share our thoughts with the community on Wallingford Government TV channel 20, the Wallingford Web site www.town.wallingford.ct.us and the Board of Education Web site www.wallingford.k12.ct.us regarding the life of Dr. King and the importance of his teachings in all our lives.
