---

February 10, 2021

Dear Wallingford Residents:

Individuals who are 65 years of age or older can now register to obtain a vaccine for Covid-19 from the Town of Wallingford. Please contact the Wallingford Health Department directly at 203-294-2065 to register Monday through Friday from 10:00am to 3:00pm. Another option to register for a vaccine is through Hartford Healthcare online at [hartfordhealthcare.org/vaccines](http://hartfordhealthcare.org/vaccines) or call the vaccine hotline at 860-972-4993. Individuals can also go to [mychartplus.org](http://mychartplus.org) if there is currently access. Yale New Haven Hospital also has multiple locations throughout the state, including large clinics in the New Haven area. The link to register for a vaccine with Yale New Haven Hospital is <https://www.ynhhs.org/patient-care/covid-19/vaccine/get-your-covid-vaccine.aspx>.

While appointments may not be available immediately at this time as we continue to complete our list of those individuals 75 and older, please know that the Town will continue to conduct vaccination clinics as supply is provided weekly from the State of Connecticut.

Sincerely,

*Stephen A. Civitelli*

Stephen A. Civitelli, RS, MPH

Director of Health

Town of Wallingford
