PRESS RELEASE

With the Thanksgiving holiday upon us, Connecticut's Law Enforcement agencies intend to promote safe driving and increase the protection of all motorists.

As there is paramount concern for all and in an effort to reduce the chance for injury related motor vehicle accidents, the Wallingford Police Department will participate with other law enforcement officials across the State of Connecticut to enforce the State Occupant Protection Laws and issue citations for those who are unbuckled.

The Wallingford Police Department would like to wish everyone a safe and happy holiday season.

Buckle Up- Every Trip. Every Time.

Sgt. David Blythe
Traffic Division
