

THE SILENT WITNESS INITIATIVE

REMEMBER THEIR NAMES

The Silent Witness Initiative was created in 1990 to promote an end to domestic violence through education and community based exhibits.

The Wallingford Police Department is honored to bring that exhibit to the Town of Wallingford.

From October 18, 2021 through October 24, 2021, The Silent Witness Initiative, created and built by the Lyman Hall High School Woodworking class with Mr. William Rich.

The red silhouettes will have the names of the 15 people murdered in 2019 by an intimate partner in the State of Connecticut.

We encourage you to come and read the names along with facts and statistics about domestic violence within the State of Connecticut.
