

**OFFICE OF THE MAYOR**  
**TOWN OF WALLINGFORD**  
**CONNECTICUT**

WILLIAM W. DICKINSON, JR.  
MAYOR

Everbridge Message  
March 30, 2020

Hello. This is Bill Dickinson – your Mayor.

Health information just received indicates that we have 9 residents suffering from the coronavirus. Our information also reveals increasing numbers of people suffering from the virus in neighboring towns. It is not time for panic. It is time for us to devote even greater effort to protecting one another by complying with Health Dept advice:

- Stay home as much as possible
- Wash hands thoroughly and frequently
- Maintain at least 6 feet distance from other people
- Avoid touching your eyes, nose, mouth
- Cover your cough or sneeze
- Clean and disinfect frequently touched objects and surfaces
- If you have health concerns, contact your health provider

Effective immediately, Town municipal buildings will lock outside entrances to protect the public and employees. If you need to conduct business with a government office, please telephone, e-mail, or mail your request for information or schedule an appointment.

We need to emerge from this pandemic as soon as practicable. It's up to each of us to reduce contact with fellow citizens.

Thank you for your much needed cooperation.
