

Subject **Wallingford Senior Center update**
From Bill Viola <bviola@wlfdseniorctr.com>

Date 2020-04-20 11:02

Due to the current Coronavirus pandemic and in compliance with Governor Lamont's executive order No. 7X, the Wallingford Senior Center, as authorized by the Wallingford Committee on Aging, will remain closed at least through May 20, 2020. Senior Center staff will continue to take and respond to phone calls, emails or voicemail messages to the center for assistance, referral and information. In addition, staff and volunteers will make comfort/wellness calls to any older adult who requests them.
