Item 4 Co-Chair Announcements

Cathy received the ~\$12,000 reimbursement check from DEEP.

Cathy shared a newspaper article about the town of Cheshire which wanted to build a pedestrian bridge to link the Farmington Trail to the High School costing over \$450K, but which was voted down by the town council.

The construction liability insurance in the amount of \$1,048 which is reimbursable and can be invoiced against the project will be paid next month. The D&O insurance of \$755 will come due later in the year.

The eight-foot long folding table was disposed of, fortunately several committee members have folding tables that can be used for the Celebrate Wallingford booth.

The Construction grant will expire in approximately 2 years, so we need to come up a solution for the pedestrian bridge across the Fireworks Island raceway project ASAP.
