Cathy Granucci noted that there is no funding yet for the police officer for the Winter 2018 Carriage Ride. The Wallingford Chorus will be asked to come back again.

We have a FitBit 3 donated from Coalition for a Better Wallingford plus a Sony Smartband from Barb McCoy. These will be raffled off at Celebrate Wallingford as part of the Step Up to the 2020 Jubilee countdown, which will be approximately 3.5 million steps.

The reimbursement from DEEP has not yet been deposited. This reimbursement covers an item which had inadvertently been a duplicate payment. Elaine and Cathy audited the accounts, compared all funds received and submitted, and discovered the discrepancy.

Mary Mushinsky noted a land grant acquisition grant that is open for a proposal that is due February 7, 2019.

Also, the North Haven Trail Committee attended a public hearing regarding a potential parcel near the Toelles Road area which is under potential development. One of the North Haven commissioners requested the applicant provide for a trail easement that would reach to Wharton brook.

Mary mentioned the old Wallingford landfill solar project does not currently account for a trail easement / right of way.

Mary mentioned there is a group of Sheehan students that can participate on Friday, October 12, we will see if there is any tasks available for them perhaps the stone dust around the labyrinth.
