Cathy gave a recap of Community Wellness Day, the QRLTAC booth was staffed by Fred, Joellen, and Dave.

Tim will be setting up Kiwanis during Celebrate Wallingford, we will arrange for other logistics.

The Phase III Mile Markers were discussed with the Troop leader, and it looks like the project went through Parks & Rec.

The new benches were installed along the new portion of the trail by a team of Eagle Scouts.

The trash barrel count & placement, tool storage shed, and mulching the three gardens are still under discussion.

Several trees near the river need to be pruned and/or removed, a long-term plan could be put together.

The QRLTAC needs to make the final payment for the Carriage Ride.

Mary summarized Rob's proposal to revise the scope of work for the DEEP grant. The committee endorsed the revised scope of work.

Item 5 Town Engineer Report

Rob Baltramaitis submitted suggested revised scope of DEEP grant to Mary and Cathy for QRLTAC's review.

Elaine brought in a print-out of the updated Trail map. The committee agreed these replacement Rules and Regulations signs will be made entirely of fossil resin or a comparable composition. The quote from Fossil Graphics for the TWO 4' X 3' signs is \$1,827.00, plus shipping and handling. More quotes from other sign companies are being sought.

The autumn cleanup is Sunday November 3 (rain date is November 10). Elaine will reach out to a few of the schools to see if there are any students that need community service hours. A list of projects is being compiled.

The side trail markings need a project plan and a day for blazing.

Celebrate Wallingford is October 5 & 6, Saturday 11-6 Sunday 11-5. We must clear all vehicles from the site, and it was requested that all booths remain staffed until 5pm on Sunday.
