## TOWN COUNCIL OFFICE

On Monday, February 10, 1992 a telephone poll was performed by the Town Council Office for the following reason:

Approve a Waiver of Bid to Allow Giacco Oil Company to Perform Repairs to the Burner and Furnace Regulator of the Central Fire Headquarters Boiler at a cost of \$2,500.

The Transfer of Funds will affect the following accounts:

\$1.500 from Acct. #500-5100 - Maintenance of Buildings \$1.000 from Acct. #500-5110 - Maint. of Bldgs. Outside Contractors \$2.500

The poll produced the following result:

Duryea - yes McDermott - yes Papale - yes Parisi - yes Solinsky - yes Zandri - yes

Killen - no\*

Holmes & Doherty were unreachable.

\*Mr. Killen's negative vote was due to the fact that he does not believe inthe legality of a telephone poll.
